

Fall Product Program starts Sept. 10

Did you know that Girl Scouts can participate in the Fall Product Program as an individual member or with their troop?

The Fall Product Program is a great way for troops to earn startup funds for Girl Scout activities. All troops receive 14% of their magazine orders as troop proceeds, 14% of BarkBox and Tervis tumbler orders, plus \$1.15/per item for nuts and chocolates sold. Girl Scouts earn rewards too! Girl Scout Juliettes can earn Juliette Program Credits in addition to Cookie Credits and rewards!

Be the Voice of Girl Scouts of Colorado

Do you have bold energy, confidence, and a love for being in the spotlight?

The Media Stars program gives Girl Scouts the chance to represent GSCO in videos, photos, media interviews, community events, and more—all while building skills, confidence, and experience for the future.

What Media Stars Do

Media Stars tell the Girl Scout story across multiple platforms and events:

- Videos and photos for marketing materials, social media, and council communications
- Community events and media interviews
- Behind-the-scenes creative projects

By participating, Media Stars become representatives of the Girl Scout experience, sharing the bold, fearless, and fun spirit of Girl Scouts with the world.

Benefits of Being a Media Star

Being a Media Star is about more than just being on camera—it's a learning and leadership opportunity:

- Develop public speaking and communication skills
- Build confidence on camera and behind the scenes
- Represent GSCO and be a Girl Scout voice
- Grow personal, social, and professional skills while having fun

Who Should Apply

We're looking for Girl Scouts who are:

- Comfortable in front of a camera or eager to learn
- Creative and enthusiastic about telling the Girl Scout story
- Girl Scout who are Brownies and older

No prior media experience is required—just energy, personality, and a willingness to learn, grow, and shine!
