## Girl Scout Rewards

Mark your calendar for the Top Cookie CEO event, Saturday, May 30. The Top Cookie CEO event will be at Cheyenne Mountain Zoo, home to a group of adorable black-footed ferrets, just like our cute, Cookie Program mascot! The event will include one adult and one youth ticket to the zoo, tickets to feed the giraffes, and a buffet lunch at the Lodge at Moose Lake buffet, plus a medallion ceremony.

Girl Scouts who sell 2,500 or more packages of cookies during the 2026 Cookie Program are Cookie CEOs and will earn a medallion and can choose to either attend the special event with a caregiver or receive Cookie Credits.

Cookie Program rewards are on the order card, in the [TCM Guide](#), the [Juliette Caregiver TCM Guide](#) and [Family Guide](#) and also on the [Cookie Resources page](#), under Additional Resources.

## Digital Cookie/DOC

Girl-delivery orders

Customers are waiting to receive their cookies and are excited about supporting a Girl Scout! Please remind caregivers and Girl Scouts about best customer service practices:

- Contact customers to coordinate cookie delivery and contact again if there are any changes to delivery date and time.
- Wait to mark order as delivered until it has been delivered!
- Include a thank you note with the order.

Digital Cookie tip sheets and short tutorial videos are on the [GSCO Cookie Resources page](#) and in the DOC platform help center.

## Cookie Booths

*Share the love!* Valentine's is on Saturday, Feb. 14! What sweetheart wouldn't love a bundle of their favorite Girl Scout Cookies?

*Booth tip:* Make cookie bundles decked out with a ribbon and card and display them on your cookie booth table. Girl Scouts can also ask customers to share the love of Girl Scout Cookies with the community, by asking customers to purchase cookies to donate to their Hometown Hero!

Troops and Girl Scouts can access thank you cards, cookie recipes, booth signage, and other eye-catching resources to download and print on the [Little Brownie Bakers website](#).

Council Booths

If you have a council booth that you cannot attend, *please release the booth in eBudde*. TCMs can join a waitlist for council booth locations and then pick up a booth on a first-come, first-served basis if it is released.

My Sales Booths

TCMs must submit My Sales booth requests through eBudde. SUCMs will review and approve requests. If a caregiver is unable to attend a My Sales booth that they coordinate, tell them to inform you as well as the store or business manager. SUCMs can remove the booth listing, which keeps information in the Cookie Finder accurate and customers updated.

Ensure that the booth location information, date, and times are accurate, and request to cancel My Sales booths in eBudde too, if your troop/Juliette is unable to work it.

*My Sales booths in front of residences and virtual booths do not need to be added to eBudde.*

## Cookie Finder and Cookie Booths

Customers can search for cookie booth locations near them by entering their ZIP code in the Find Cookie search bar on the [GSCO Find Cookies page](#).

GSUSA uploads council and MySales booths into Cookie Finder every 24 hours. Cookie Finder is the *only search engine* for customers to find booth locations. Accurate booth listings help people find Girl Scouts selling cookies. Make it easy for customers to support Girl Scouts – please ensure that information in the Cookie Finder is correct and staff the booths!

Please refer the [Cookie Booths 101 guide](#) for safety information, tips, guidelines, and a set-up checklist. Share the link to the booth guide with caregivers, too!

## Cookie Cupboards

Days and hours of operation for each cupboard vary due to the type of cupboard and location. Check your eBudde dashboard, click on the map, hover over the cupboard location, and notes for the cupboard will pop up, including days/hours available.

Place all orders to pick up from a cupboard through the Transactions tab in eBudde, 72 hours prior to your intended pick-up time.
